

de Liefde

DE LIEFDE SMOOCH

WINE DESCRIPTION

Eye-catching salmon-pink with some herby fynbos, strawberry and blackcurrant leaf aromas.

Strawberry tang evident on the palate, along with some red cherry and raspberry flavours.

Uncomplicated and juicy.

This is a festive, romantic Sparkling Wine for that perfect moment with that perfect someone.

AGEING POTENTIAL

Drink now or in the next 2 years.

TECHNICAL ANALYSIS

Alcohol: 11.52 %
pH: 3.08
TA: 6.3 g/l
RS: 19 g/l

WINEMAKING

The grapes are picked from various plots across the Western Cape of South Africa with most of the grapes situated in the Breede-kloof Valley. Only red varieties are used and the grapes are picked earlier to protect the fruity flavours and natural acidity. The juice is handled cold reductively to enhance the natural flavours.

Skin contact is given for up to 12 hours to extract just the right amount of colour. Cold fermentation takes place in stainless steel tanks.
